## **First Annual Victoria Gold Golf Tournament Raises over \$20 K for Every Student, Every Day**

**Dawson City, Yukon** – Yukon mining industry leader Victoria Gold Corp. (Victoria), owner and operator of the Eagle Gold Project near Mayo, hosted a golf tournament on Saturday, June 30 to benefit *Every Student, Every Day*; raising over \$20,000 for the charity to help increase student attendance in classrooms throughout the territory.

Over 40 business and community leaders from the Yukon and beyond participated in this first annual Victoria Gold Golf Tournament at the Top of the World Golf Course. Numerous Yukon companies supported the event through sponsorships and silent and live auction donations, including major sponsorships from Bank of Montreal (BMO) and Klondike Gold.

“We sincerely appreciate Victoria Gold’s continued investment in our efforts as we work together as a community to help our territory’s students attend school each and every day,” said *Every Student, Every Day* President Tara Christie. “Student attendance challenges belong to us all and we thank all the individuals and businesses who gave their time and their support to what was a very fun and beneficial event for our community.”

*Every Student, Every Day* is Victoria Gold’s volunteer-driven charity to help address student attendance challenges in Yukon schools. Since its establishment in the fall of 2012, *Every Student, Every Day* has raised and distributed over \$365,000 to directly support over 70 projects to help increase attendance.

The charity works with Yukon’s Department of Education, which distributes the charity’s application to schools throughout the territory each year and administers the funding.
